# MA OR BA COURSES?

ALL STUDENTS can choose courses from Bachelor and Master level

BUT

- we suggest that you choose courses from your level of study because you are more likely to pass the exams (especially if your Italian is not very fluent)
- ask your coordinator whether it is fine to choose exams from all levels FOR THEM

In our School, ALL CLASSES ARE HELD IN ITALIAN apart from the MA degree in <https://www.spatialmanagement.unifi.it/>

Italian B1 certificate is mandatory

Here you can find the courses held in English (from other schools):

<https://www.unifi.it/index.php?module=CMpro&func=viewpage&pageid=10297&newlang=eng>

If you choose courses in English you need to send also a B2 English certificate

# Requirements

Check the requirements from the menu on the right!

In Italian *prerequisiti*

If they are generic (e.g. you need to know some basic concepts of Psychology..) then no problem at all!

If they are specific (e.g. English Language 3: you need to have a b2 level in English already..) you need to meet the requirement (or you won't pass the exam)

# COURSES THAT YOU CANNOT CHOOSE

Regarding the courses of **EDUCATION**:

Do not choose **LABORATORIES**: it has been decided to put a limit to the number of students who can attend laboratories. As a consequence, we suggest that you **don't put WORKSHOPS from EDUCATION in your OLAs**. Otherwise, it is likely that once here you will be asked to change your LA because there are no reserved places for Erasmus students.

However, if you choose a course which **also** includes a workshop, that is fine but the teacher will give you extra material to study for the exam in place of the workshop (LABORATORIO). ESEMPIO:

**B029556 - NUOVE TECNOLOGIE PER L'EDUCAZIONE E LA FORMAZIONE CON LABORATORIO DI  
NUOVE TECNOLOGIE PER L'EDUCAZIONE E LA FORMAZIONE**

# COURSES THAT YOU **CAN** CHOOSE!

Regarding the courses from **HUMANITIES**:

You can choose **LABORATORIES** from **Humanities** Degrees

**BUT** they are often courses **WITHOUT final mark**. If that is fine with you and your University, you can take them and you will get as final proof of attendance **PASS or FAIL**.

# COURSES THAT YOU CAN CHOOSE!

Courses of LANGUAGES: you can choose them, of course!

The majority of the courses in languages last the whole year. If you are coming for one semester only, you can choose them and you will have a **reduction of ECTS from 12 to 6**, attending just one semester instead of two semesters

In your OLA you should put 6 ects

I hope that everything is clear!

One last request..

The correction of your OLAs takes a great deal of effort and time, so please try to do it right the first time, if possible

Also, it is better for you to have your OLA approved on time!
